POSITION OPEN

Hello and Greetings!

Lynn and I would like to open up by saying God loves you and so do w. His love is the most important aspect of all our lives. We have attended our first National meeting, this past July, and can share it was truly awesome, inspiring and God led...just like our weekends! This year the meeting was held in Charlotte North Carolina and it felt good to be home in the Tarheel state. We have a whole new group of friends, brothers and sisters and hats off to the host committee for they did a phenomenal job.

We spent 3 days full of worship, meetings and meetings. I do need to mention lots of food also. Tedd and Billie Smith were there to help usher us into our new positions introduce us to everyone and see to it we were comfortable, our thanks go out to them for their kindness and generosity. Billie and I also found out we have something in common and that is our spouses love buffets! Boy did they eat! Both swore they were done and low and behold were the first in line for the next meal!! The big topic of the meeting was "keeping to the essentials"! Our essentials include the Lay talks, Pastor talks, Reflection time, Communion, food and lodging. All the rest, such as serenades, send offs, the cross, etc. are non-essentials. A major point of importance brought forth was giving the candidates the time to reflect when it comes to the write-downs and posters. Reflecting is one of the major keys to our 3 days, time to look inside! How many times have we heard hurry up we are going to pick the posters up in two minutes...almost every weekend! Another good point was the importance of Sunday's talks; it is felt this is the most important day of talks for the talks tie everything together for the candidates. I can share I never really looked at it that way but as I thought more about it they are right! Well, I could go on and on and should any of you have any questions or would like further detail just give Lynn a call! Just kidding...please, please feel free to call, email or visit anytime!

In God's glorious Name!

Bob and Lynn Sheridan

Men's Rector for Weekend #39

*DeColores Brothers and Sisters in Christ
God has called His team. May the Glory and praise
be unto our Lord and Savior. Mark and I have
been in deep prayer. We must never expect the
harvest to precede the labor. Prayer helps us find
strength for today and hope for the future. "I
refuse to sit around and wait for someone else to do
what God has called me to do myself." God calls
upon each of us to act in accordance to His Word.
Doing God's work is a responsibility that each of
us should focus on daily. Today and every day let
us worship God with grateful hearts and helping
hands. So, come one and all, take this opportunity
as Community. Bring lots of Abrazo and smiles.
True love is spelled G-I-V-E. Blessed be the God
and Father of our Lord Jesus Christ.*

*Mike McDonald
Rector Men's weekend #39*

Hello and God Bless You from Rectora weekend 39!

*I am humbled and depending on the Lord as He has His
way for this upcoming Via de Cristo Weekend. God's
team consists of many facets, prayer warriors, #39
team and community. It is my hope that the Lord uses
all of us in prayer and in team or community.
As for the candidates, know this, it is God who works
in each of us to will and to act according to His good
purpose. God loves us all and he has a perfect plan for
our lives. Please pray for the candidates of weekend
#39. Also remember our responsibility is to help our
candidates in their fourth day by assisting them in
finding a reunion group and participating in Ultreyas.
Palanca is one of my favorite dynamics of these
weekends. Let us all give palanca whether it be prayers
for the candidates, time as community, homemade
desserts, or letters to the candidates.*

*May God manifest Himself by his Spirit to each of our
hearts; as we put on the garment of Praise.*

*Jesus truly loves you and so do I.
Louise Sutliff*
